- Strong Women, Strong Bones

These classes are all lead by trained volunteers. They are now offered through the Juneau County Health Department. Please call 608-847-9373 for more information.

SENIOR FARMER'S MARKET PROGRAM

The Aging & Disability Resource center provides outreach and application materials for the Senior Farmer's Market Program. This USDA-based program is an income-based program that provides food coupons to eligible seniors for the purchase of fresh fruits and vegetables from certified farmers' market and farm stands.

The program operates from June 1—October 31 and applications are available in June. Coupons are distributed at designated sites around the county and are on a first come, first served basis. The number of coupons available varies on an annual basis, so applications are required every year.

Farmers interested in becoming certified vendors to sell their products attend a brief orientation session and receive certification materials from the State of Wisconsin to participate in the program.

For more information call ADRC at 847-9371 or the UW-Extension Office at 847-9333.

BENEFIT SPECIALIST SERVICES

A trained Elder Benefit Specialist provides direct advocacy service to persons 60 years and over in the area of public benefits. They include: Social Security, SSI, Medicare, Medical Assistance, Health Insurance, etc. The Elder Benefit Specialist has legal assistance back-up. There is no income limit for these services. Also available is a trained Disability Benefit Specialist who provides benefits counseling for adults ages 18 to 59 with physical disabilities, developmental disabilities, mental illness and/or substance use disorders. Some of the areas the Disability Benefit Specialist can help you with include but are not limited to: Medical Assistance, Social Security Disability Income, SSI, FoodShare, Private Health and Disability Insurance Issues, etc. Donations are appreciated to extend the service. Call the Aging and Disability Resource Center at (608) 847-9371.

INFORMATION AND ASSISTANCE

Information about the various services for the elderly are available through the Aging and Disability Resource Center at (608) 847-9371.

If the information you need is not directly available, we will refer you to the Elder Benefit Specialist, Disability Benefit Specialist, Department of Human Services, Area Agency on Aging, the State Bureau of Aging, or other resources that suit your needs.

NATIONAL CAREGIVER SUPPORT PROGRAM

Funds are available for caregivers providing direct assistance to loved ones in their home. This funding source provides payment for services such as respite care, adult day care, transportation to respite and adult day care, information and assistance for caregivers, outreach services, caregiver training, adaptive aids and home modifications, grandparent assistance, and referrals to caregiver support groups.

Caregivers can contact the ADRC at (608) 847-9371 for an application and more detailed information. The focus of the program is to support caregivers in their role as direct service providers.

ALZHEIMER'S PROGRAM

The Alzheimer Family and Caregiver Support Program (AFCSP) is administered by the Dept. of Aging. The program provides financial support to families to purchase supportive services for the person at home.

ELIGIBILITY:

- Annual family income at or below \$40,000.
- A written statement from your doctor that an irreversible dementia is present.

LONG-TERM CARE SERVICES

Long-term care services are services or supports that a person may need due to a disability, getting older or a chronic illness that may limit their ability to do things they need to do throughout the course of a day. There is a large variety of long-term care services available to help people do things independently or with support of someone else. These services could include but are not limited to bathing, getting dressed, making meals, medication management, and house cleaning. These types of services are not typically billable to insurance companies and are costly. There are currently two programs offered in Juneau County that will help to coordinate and pay for these types of services.

Family Care is one of the programs offered in Juneau County. Family care offers a team approach to long term care. You would be an active participant on your team that would assist you in determining what services you need, what is available, and where to get support. This team would also include, at least, you, a care manager and a registered nurse. You may also want to involve a family member, loved one, or a physician. Family Care also has a provider network from which it will select service providers. You may also choose to self-direct any part or all of your services within the Family Care program. This will allow you more choice in who is providing the services and what services they are providing.

IRIS is the other program offered in Juneau County. IRIS stands for Include, Respect, I Self-direct. IRIS is a self-directed program. You will not have a team that helps you to setup your services.

You will be given an individualized budget based on your needs. This budget is what you will use to buy

services or supports you feel you need. You do not have a provider network to find providers from. You may want to employ a friend , neighbor, or a relative to provide services for you. You may also choose to employ a home health agency to provide services. You determine what services you need, when you need them, how often you need them, and who will provide them as long as you remain within your budget amount.

The IRIS and Family Care program have the same eligibility criteria. You must be found to be functionally eligible and you must have Medicaid or be eligible for Medicaid. If you are interested in finding out if you qualify for either of these programs please feel free to contact the Aging & Disability Resource Center at 608-847-9371 to set up a screening with one of the certified screeners.

ADAPTIVE AIDS

Items are available and on display at the Aging & Disability Resource Center. Staff members can explain and demonstrate their use. Staff is also available to make presentations on assistive technology and all other services provided by the Aging & Disability Resource Center.

Call The Aging & Disability Resource Center at 847-9371 to set up a presentation.

At the Resource Center you will also find many informative brochures as well as forms and applications for many services.

LOAN CLOSET

The ADRC has a loan closet. We offer you the use of an item for no fee and when you are no longer in need of the item, return it to us for someone else to use. Some of the items we may have walkers, wheelchairs, grab bars, shower chairs, raised toilet seats and many other items. Our inventory can vary from day to day. Please call our office, 608-847-9371, or stop in to see if we have the item you need. We also accept donations of any of the listed items. If you have any of these items that you or a loved one are no longer using, please call us to see if we can use it in the loan closet.

JUNEAU COUNTY NUTRITION PROGRAM FOR THE ELDERLY

Meals are available for seniors through 7 congregate meal sites in the county. The suggested donation is \$3.75 for congregate and homebound meals. No one will be denied a meal if they are unable to donate toward the cost of the meal. However, the program depends on donations to maintain the service.

Meals at congregate dining centers are for those ages 60 or over, spouses of +60 participants on a donation basis, and for -60 person, with full cost of the meal (\$9.59 required).

All menus are approved by a registered Dietitian and comply with Federal, State and Local regulations for the *Title III* meal program.

Nutrition Education and Dietary Counseling is available by calling the Aging & Disability Resource Center at (608) 847-9371.

Home-Delivered Meals are also served from all Nutrition Sites for eligible seniors ages 60 and over. Frozen meals are available on weekends for HDM participants who need them.

NOTE: A referral from your physician is recommended for all new HDM participants.

Information about homebound meals is available at the ADRC office in the Courthouse Annex 847- 9371.

Reservations for meals should be made by noon the day before the meal is to be served (Noon Thursday for a meal on Monday).
